SOUTHEAST HIGH SCHOOL

OFFICE OF THE PRINCIPAL

February 2, 2015

To whom it may concern:

I've had the pleasure of working with Katelyn Romanic during the 2014-2015 school year. She has been a long term sub for our high school art teacher who was out on leave for the entire year. During this time, I have been impressed with her professionalism, classroom management, and outstanding rapport with the students. She is also loyal, dependable, passionate, and cooperative. I had the opportunity to observe Katelyn this year and I enjoyed her use of many best practice teaching methods to enhance her students' learning experiences. She creates an environment where kids enjoy going and are not eager to leave. She also continues to recreate her classroom and is always looking for opportunities to use her skills to positively impact the school. She makes her classroom come alive by dressing the style of the artist or time period that she is teaching. This just one example of the many that I could give that shows that she goes the extra mile for her students. Katelyn had a difficult task of teaching Art I students who were not excited about being scheduled for the class. Those same students, not only would consider her one of their favorite teachers, they are also scheduling for more Art classes. Katelyn manages her class extremely well by keeping the students on task from bell to bell and she manages behavioral issues internally and swiftly. Katelyn has an enthusiastic attitude toward teaching which becomes positively contagious in the classroom. Simply put Katelyn is an outstanding teacher. My highest recommendation goes to Katelyn. If our teacher on leave does not return we will hire her immediately. I am confident that Katelyn is the quality candidate for which you are searching.
