SOUTHEAST HIGH SCHOOL

OFFICE OF THE PRINCIPAL

To Whom it May Concern:

It is my pleasure to write this letter of recommendation for Ms. Katelyn Romanic. Ms. Romanic came to Southeast High School as a permanent substitute for the 2014-2015 school year. Her responsibilities were primarily Art I classes; however, she was also expected to teach semester classes in Drawing, Digital Photo, and Printmaking. She welcomed the challenge.

Ms. Romanic has far surpassed our expectations in professionalism. She has worked closely with colleagues in order to fulfill the requirements for our Art I curriculum. Not only has she been responsible for all lesson planning, she has even completed a Student Learning Objective (SLO) with accompanying data for the Art I classes, which is not a normal requirement for a substitute. Additionally, Ms. Romanic was responsible for all grading and learning the computer program for entering grades. Her willingness to take responsibility for bulletin board displays and school signage is refreshing.

Ms. Romanic has had excellent success with her classroom management. Her ability to handle discipline problems on her own without resorting to help from the administration has proven effective. She has seldom needed to officially write students up for their behavior.

As a fellow Art teacher, I am impressed with Ms. Romanic's passion for her subject matter and for her creative drive. Whether it is her outlandish attire that coordinates with the lesson she is teaching or the weekly contemporary art videos she shows, her innovativeness is evident.

It has sincerely been my pleasure to make an acquaintance of Ms. Romanic. It is clear that she has chosen a profession that is right for her. Students who are fortunate enough to be exposed to her passion will benefit greatly. She will definitely make a positive addition to any staff and enhance a school's learning environment.
